Kevin —

Well - after 3 unholy
 years of tormenting band
 practices, football games,
 and suddy concerts, we
 still aren't very good, are
 we? Oh well, if we don't
 succeed for 3 years, the

 better I guess. I have
 an idea - Why don't
 we practice. I've heard
 it helps. Oh well, why
 break a record we've

Cabs '69 are sometimes
 frivolous, sometimes dedi-

 are stimulated into aware-
 ness by attending semi-
 nars, having guest speak-

 in the American scene.
 They enjoy friendship in
 an environment that
 breeds it. They are in a
 constant search for a bet-

Homecoming Victory Excites Crowd

Homecoming rituals began on October 17, as members of the Key Club sponsored the bonfire preceding a 34-student car parade throughout the Tucson area.

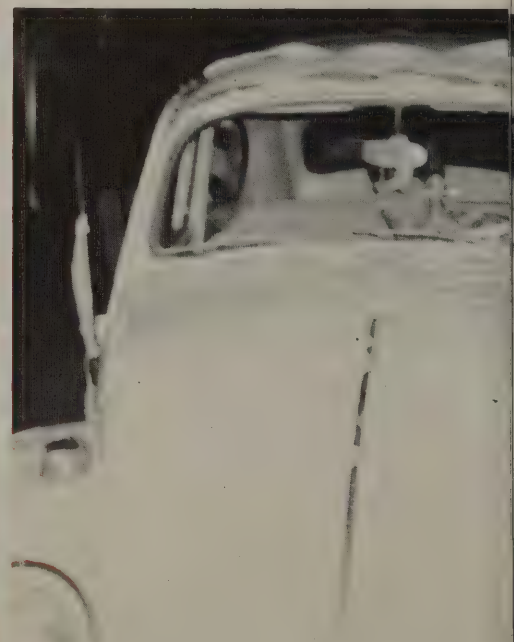

Friday night, student body,

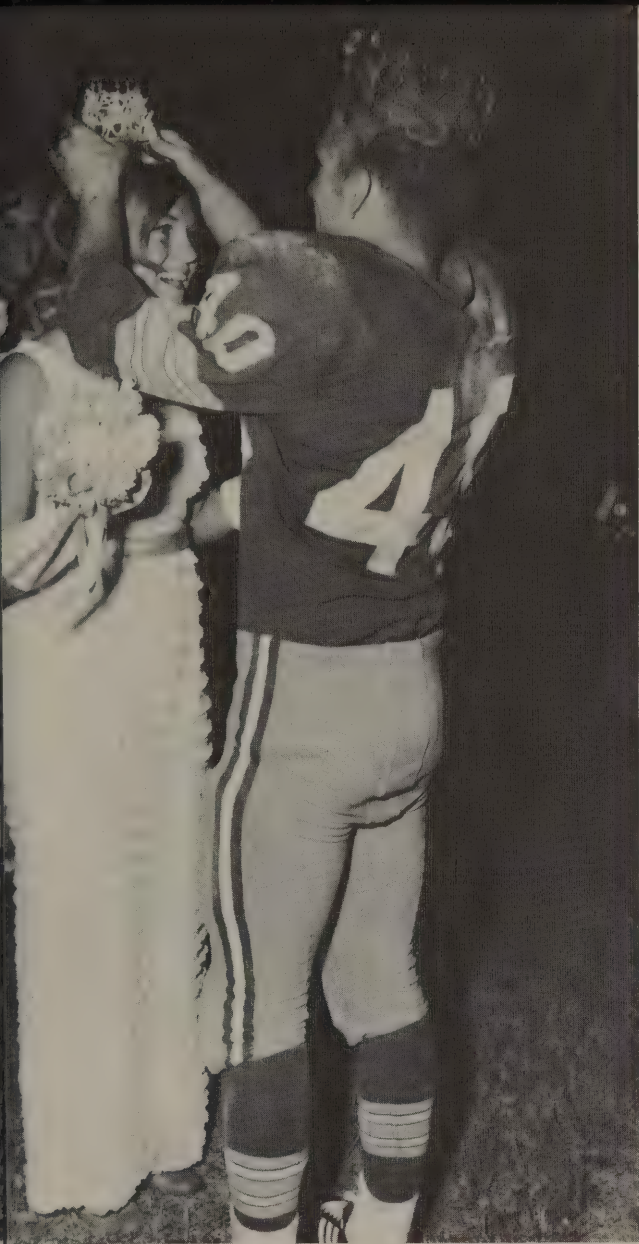

parent, and alumni spirit pushed the Cabs on to a 30-7 victory over Bisbee, making the second victorious homecoming game in Flowing Well's history. Following the game was a victory dance.

Climaxing the evening, retiring queen Patty Hancock crowned Colleen Evenson and Johnny Anderson as this year's Flowing Well's homecoming royalty.

Bellamy Week Tradition Is Initiated By Seminars

Participating in twenty-six seminars during the Vital Issues Workshops, Flowing Wells students and faculty commemorated Bellamy Award Day and initiated a new tradition. These seminars included subjects ranging from "The Tense Generation" to a critique on the motion picture "Rosemary's Baby."

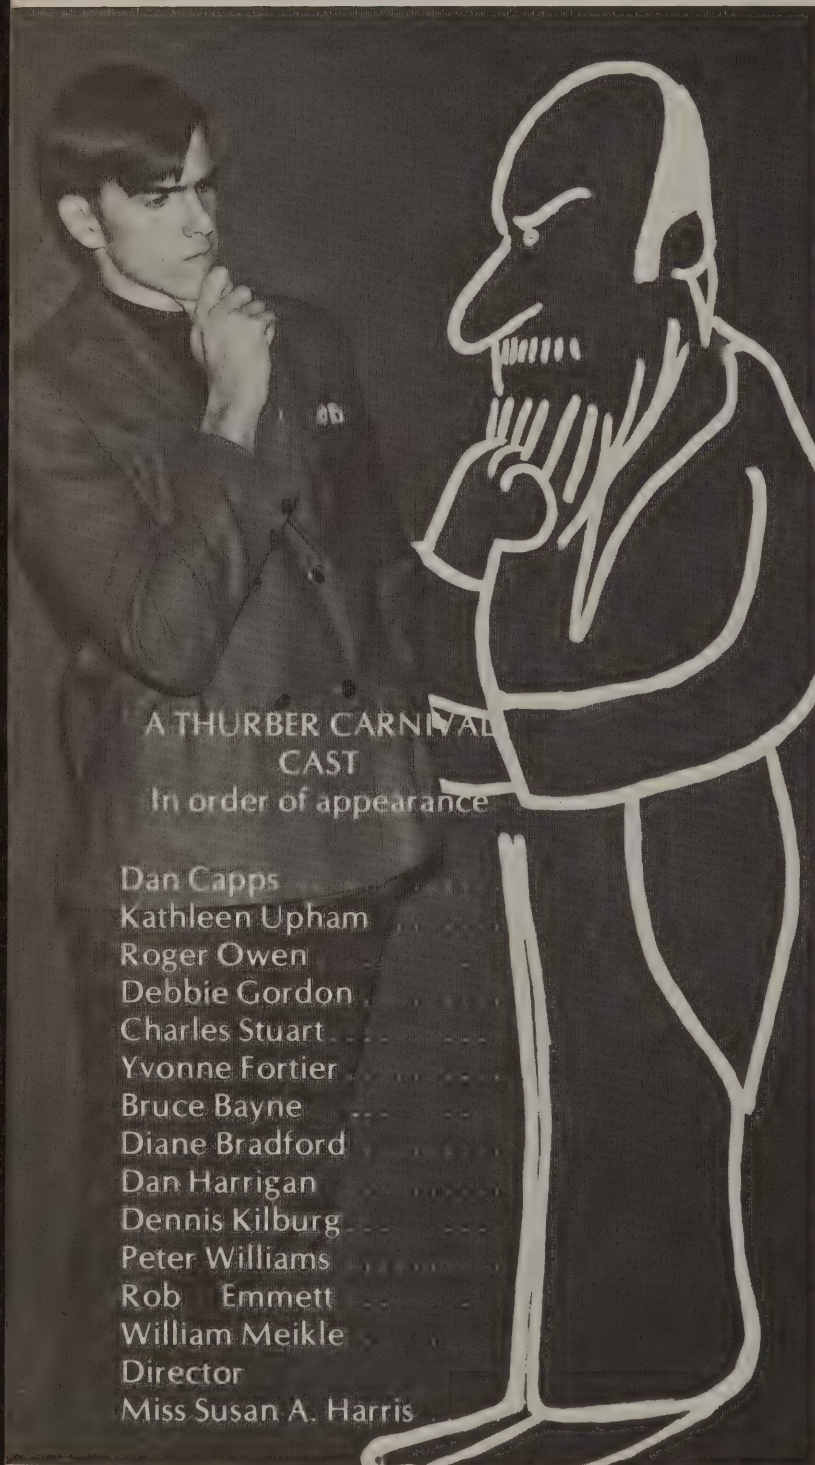

The morning assembly was spirited by the presentation of the flags by a Marine Color

Guard and by the participation of the F. W. Band and Chorus. Keynote speaker Mr. Neil Clement stressed the meaning and importance of "Integrity." Senior Richard Hobson, spoke to the Student Body on "A Challenge To You."

This year's Bellamy Award Day was made possible by the coordinating and planning of Mr. Len F. Skrobel and by the cooperation of the students, faculty and citizens.

Mad, Crazy World Of Thurber Seizes Stage!

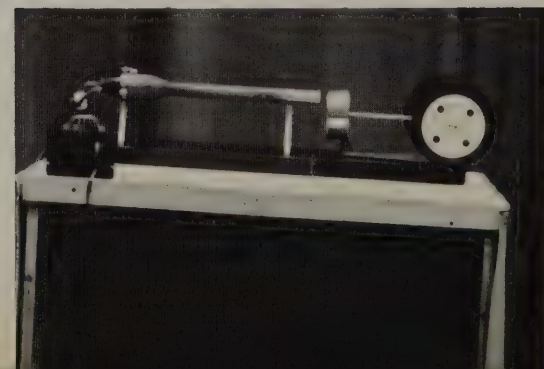

The production of *A Thurber Carnival* came to life on the F.W. auditorium stage in a setting of Thurber cartoons. The presentation by the drama department was of the theater

of the absurd. This unusual comedy written by James Thurber and performed in various short scenes was under the direction of Miss Susan A. Harris.

There were two matinees for the Sr. and Jr. high school. On November 14 and 16 two public performances were held. Entire cast and crew totaled 40 students.

First Nine Weeks Is New Ideas, Happenings

The '68-'69 year opened September 3 with 963 students. In October were two new facilities, a green house and a Learn-

ing Resources Center. Football coach Mr. Larry Hart returning after two years absence again took Cabs to state finals. From

assemblies, dances, a car bash to a community talent show, activities stimulated interest and spirit.

Follies Spur Laughter And Groans

"Girls-In", a student production by the Girl's League club, featured original skits ranging from the satiric to the hilarious.

"Girls in Crime", "A Country Wedding" and the "Elderly

Wed Game" kept the audience amused. Also "A Talk from the First Lady" about beautifying America, was narrated by Dorothy Probst.

Much of the credit for the

success of Girl's League Follies goes to the sponsors who were: Mrs. Ann Stewart, Mrs. Yvonne Taft, and Mrs. Raymond Lim.

Cab's Christmas Spirit Rings Out

Christmas at F.W. offered a change for most students. Clubs and organizations donated 23 baskets of food to needy families in the district. The Chaparall Hiking Club

participated in a trip to the Grand Canyon.

Art classes sponsored a Christmas Art Sale. Arts and Crafts were displayed for public view and purchase.

The atmosphere was icicles and snowmen at the Christmas Assembly. Voices rang out in Christmas joy and the modern dance classes staged a stirring performance.

Spirit Of '71 Unleashed On Campus

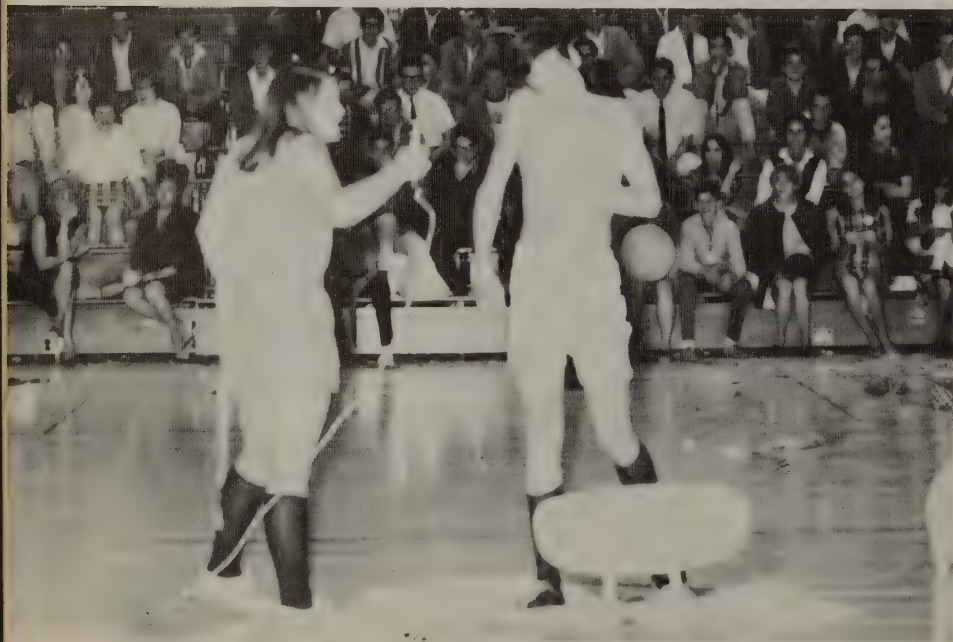

Spirit week soared as the classes joined the contest to prove they had the most spirit. Each class patched posters and signs advertising class spirit on walls, ceilings, and even floors.

The class displaying the greatest amount of spirit and the most successful way of sharing it won the week-long contest. Pep rallies were held during lunch time and the morning

announcements held special spirit messages. Friday afternoon an assembly was held to name the sophomores as the proud winners.

Donkeys Throw Victory To Teachers

Donkeys kicked, bucked, brayed and made a stunning performance in the Donkey Basketball Game sponsored by the student council. The game

starred some of the most noted people on campus, including students and teachers. Rules were broken and skins kicked but everyone seemed to enjoy

the fray. In the fourth quarter the girls took over the donkeys to try to create their own version of the game.

Rodeo Week-

WANTED: Gringos dead or alive!

Rounding up the gang took place at the Rodeo Dance February 26. Couples dressed in the traditional western attire danced to the sounds of T. S. Colt. Refreshments of cookies

and coke quenched big thirsts and nourished equally big appetites. During the dance the Queen and class attendants were announced to the awaiting crowd. In an election spon-

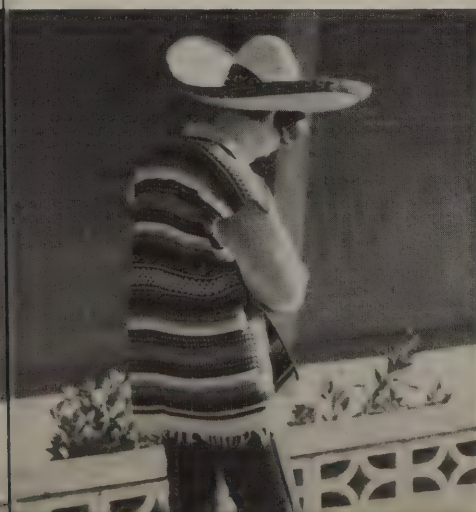

sored by the sophomore class Patty Hill was elected Rodeo Queen.

King And Queen Reign Spirit

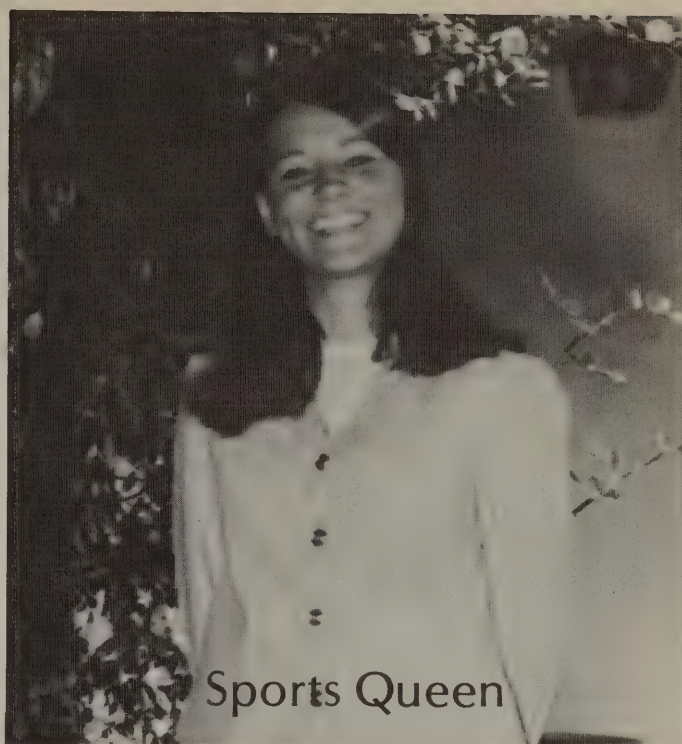

The Homecoming King and his Attendants are chosen from the senior varsity football players by Girl's League. After five candidates are selected, the girls of the student body vote for the candidate of their choice. The varsity football

team chooses the Queen and her Attendants from the senior girls who show the most spirit in school activities. Colleen Evenson and Johnny Anderson reigned as Homecoming Royalty on October 18, when Flowing Wells beat Bisbee 30-7.

Athletics Not All Muscle

To become a Sports Princess or Queen, one must be nominated by the Letterman's Club for the sports season. Through an open election, Patty Hill was chosen queen because of her participation and spirit in school activities. Lynn Harris's warm enchanting smile, Sandi Ball's sweet personality, and Jamie Hannan's cheerful attitude, qualified them to reign as Sports Attendants for the sports year 68-69.

'68 Cabs Set Best Record In F. W. History

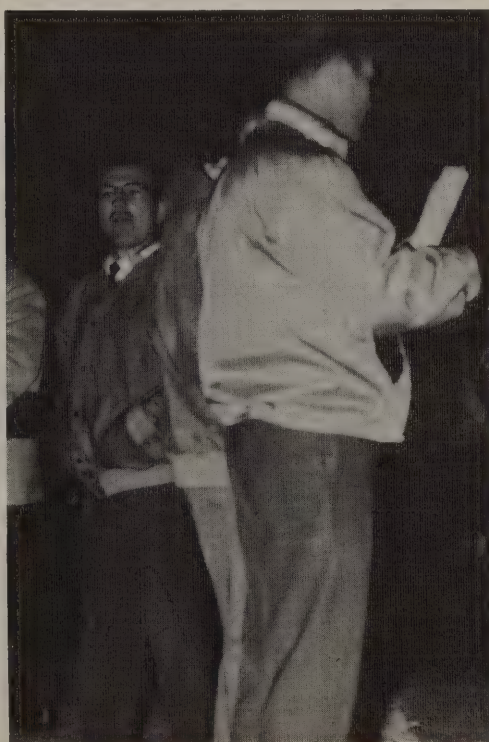

The Flowing Wells varsity football team for '68-'69 has set the best record in the history of the school. The Cabs were AA Conference, Division II champions; AA Conference runner-up, posting the longest

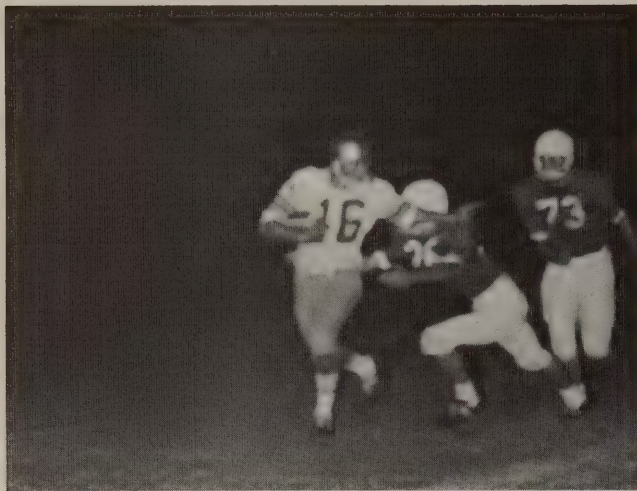

consecutive win record, 6 in a row.

They scored 184 points to their opponents 67, with a season record of 7 wins-1 loss -1 tie; a conference record of 5 wins-1 loss -1 tie.

And, just to put a sweet finish to a victorious season, the Cabs won the second homecoming game in the school's history.

'69 Cabs, a different breed, a wonderful breed!

Cabs Set Fast 4-0 Streak

Flowing Wells Cabs had their biggest scare when they went up against the underestimated Colts. The Cabs were forced to rally for a fourth-quarter touchdown by John Anderson to pull out a 7-0 victory over Buena.

The Cabs were at their best for the homecoming game, Oct. 18. They treated a crowd of 3,000 to a 30-7 victory over Bisbee, running the Cabs' season record to 4-0.

First Games are Run-aways

The Cabs unleashed their unified power Oct. 4 and came home with a winning score, F.W. 32, San Manuel 7. Playing a balanced offensive game, the Cabs were led by running backs John Anderson and Paul Wilson.

Routing young Sahuaro with a score of 46--12, the Cabs showed their strength, breaking the Cougars' back at Sahuaro's "home" game on Rincon's field.

Cabs Set Winning Record

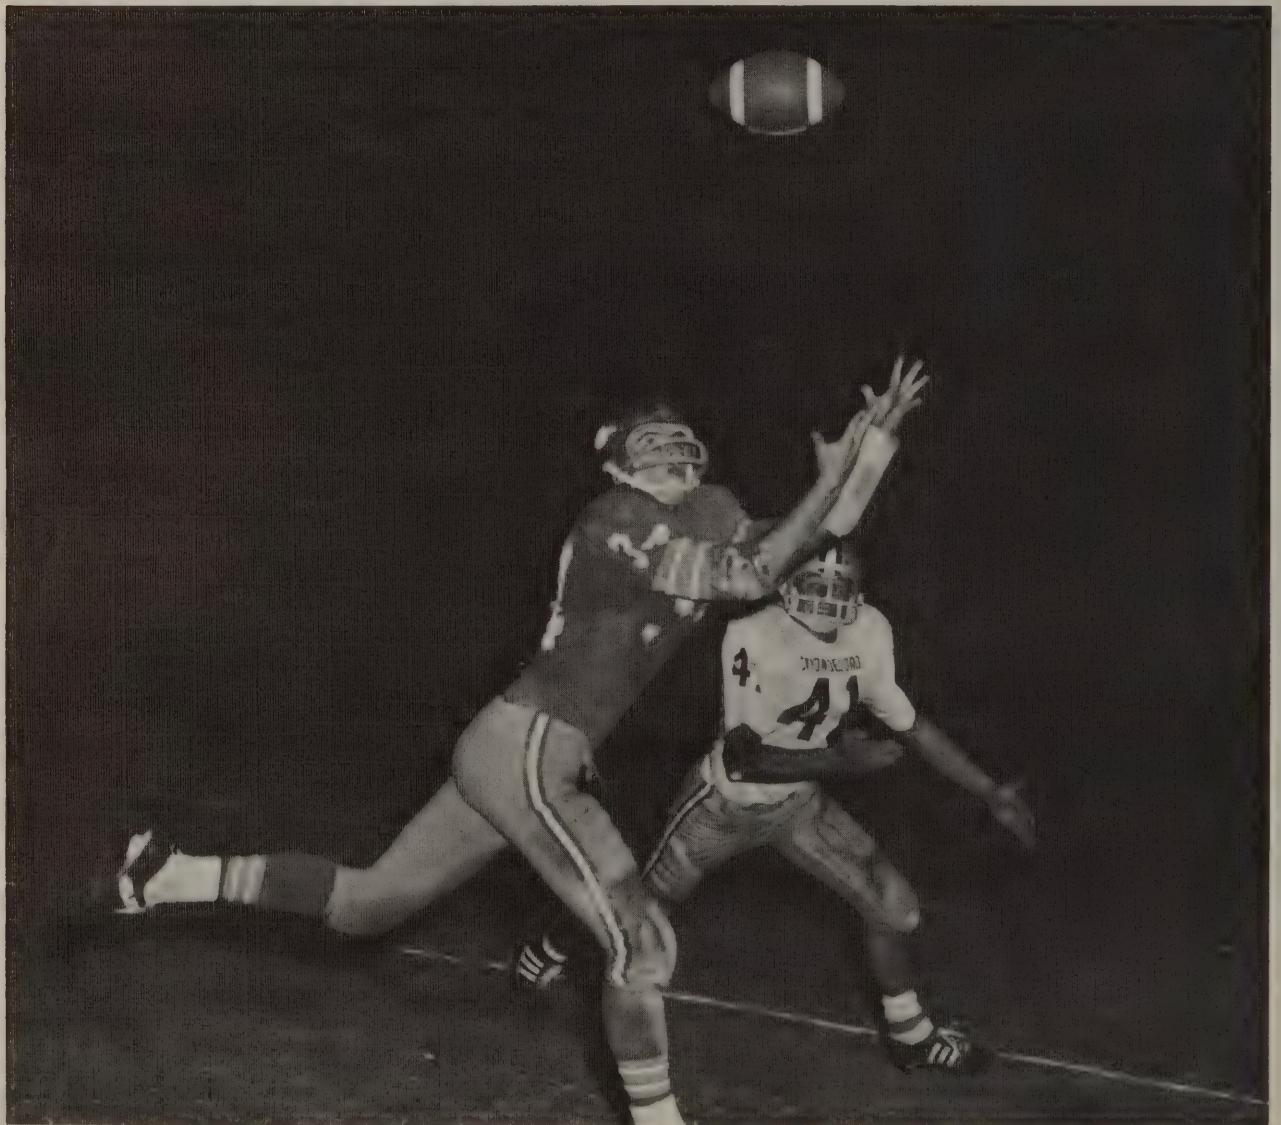

Walking on the winning side again for the fifth time, the Cabs held a 27-0 lead for three quarters. Then they drowned Globe 27-12.

F. W. banked its TDs on passes of 17 and 7 yards from quarterback Phil Shumway to end Frank Galvez and runs of 1 and 6 yards by Paul Wilson, Chuck Kennedy.

Doyle Beckham's 30-yard field goal kick netted Flowing Wells a 3-0 win over Canyon del Oro. Beckham's kick gave the Cabs six straight wins.

"This is my greatest victory," said Coach L. Hart. It was the second time in Hart's coaching career at F. W. that he has won on a field goal.

Running down field for a pass thrown by Phil Shumway, Larry Stark reaches out with anxious hands. A Canyon del Oro linebacker covers Larry, determined to intercept or deflect the pass.

Cabs Enter State AA Finals By Routing Nogales 24-7

F. W. traveled to Miami for their eighth game of the season with a 6-6 tie. Frank Galvez scored the Cabs only TD a 62-yard pass from Phil Shumway.

The Cabs were stunned by a close defeat from Stafford with a score of 10-9.

Doyle Beckham's 22-yard field goal with John Anderson's TD gave the Cabs a score of 9-0 in the third quarter. Then Staf-

ford came up with 10 pts. in the fourth quarter.

F. W. in 1st place tie with Coconino for Division 2AA championship routed visiting Nogales 24-7.

John Anderson and Paul Wilson were called the "Tiny Two-some" as they led the Cabs to another victory. This gave the Cabs a record 5-1-1 in league competition and 6-1-1 overall.

J.V.'s Record 7-1 Season

The 1968-69 Junior Varsity Football Team voted Rocky Webster the most valuable player; captain and co-captain, Paul Hannan and Eddie Martinez.

The small but speedy Cabs with a winning attitude fought for a J.V. record of 7 wins, 1 loss.

Coaches D. Leikvold and D. Griesser moved eight players up to varsity for the '69 season. They are Rocky Webster, Paul Hannan, David Ruiz, Ronnie Coffman, Harold Kelly, Chris Hoffman, Marty Herman, Charlie Spencer.

The vital statistics of the year: Total touchdowns, 9; extra points, 6; yards gained, 480; total points, 60; points called back, 25.

Frosh Win All

The 1968 Caballero Frosh Football team had the finest season any team at F.W. ever had. Going undefeated and unfied through 7 regular games and 2 pee-wee (130 pounds and under) games for an overall Frosh record of 7 wins and 0 losses.

The little Cabs completely outclasses the opposition scoring 262 points while allowing only 45 points to be scored against them.

Only one game was close. Archrival CDO made the little Cabs score twice in the last 5 and a half minutes to win 19-14.

Victorious Cabs Favored To Win State Tournament Season Record, 20-1, Best In School's History

ABOVE, the 1969 V. Basketball Team, *TOP ROW*, B. Arndt, L. Diffie, F. Galvez, S. Ziegler; *MIDDLE ROW*, mgr. T. Van Wie, R. Armstrong, J. Stantey, K. Penix, E. Kennedy, M. Davis, mgr. S. Leek; *BOTTOM ROW*, Coach Ed Nymeyer, P. Shumway, C. Stoltz, R. Herra, P. Guter, and mgr. G. Fuller.

The pre-season polls had the Cabs ranked 1st in the state and tabbed as the team to beat again this year. The Caballeros have lived up to their expectations, having compiled a season record of 20-1 which is the best regular season record in the school's history. The only loss came in the finals of the Coolidge Christmas tournament, when the round ballers lost to a powerful Marana team. The loss snapped a 21 game winning streak, but since that loss the fast breaking

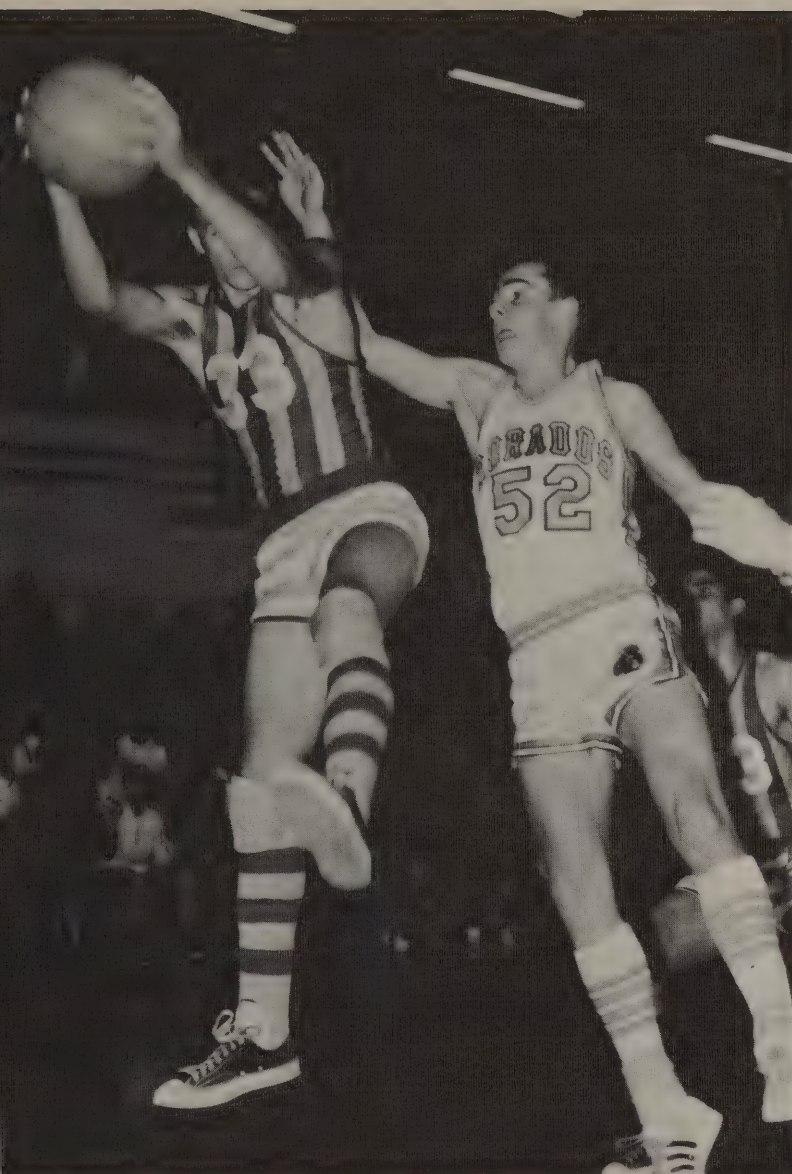

hoop-sters have over-powered 15 straight opponents and have secured themselves a spot in the state tournament for the 5th straight year. The striped basketballers have also won the "AA" South League championship for the 7th time in the last 8 years.

Some individual statics are Steve Ziegler, leading the Cabs in scoring with a 25 pts. per game average, is also the city's and state's leading scorer. Frank Galvez is leading the

team in assists and recoveries and always draws the job of bringing the ball down court against the opponents' press.

The Cabs received national publicity for their uniforms and the unusual stocking "beanies" with three-feet of blue and gold tassel hanging down the back. The colorful beanies are worn during the pre-game warm up drills.

The Cabs have 3 starters back from last year: S. Ziegler, F. Galvez, and M. Davis.

The freshmen started out by winning the opening game, and through the first half of the season they won 4 and lost 4.

During the last half of the season they had a 4 game winning streak which helped them to win 6 of the last 9 games.

Their success in the latter part of the season was due to the fact that the boys finally found out that playing as a team is much more successful. Another reason was the fact that the boys who were not starters and substitutes in the actual game did a tremendous job in practices. They didn't get the recognition that they deserved, but the team wouldn't have been the same without them.

This year's J.V. Basketball team provided many thrills for the fans who saw them play. Twenty-one boys participated with the team and all twenty-one gave 100 per cent credit for this year's team's success from the simple fact of teamwork and improvement from game to game. Each boy had a little different type of talent, which, when blended together, made for a great hustling team.

"I would have to say, without a doubt our finest game of the year was our second game against CDO's "giant's." CDO's boys were super-tall and by using the varsity's patented fast break, we were able to beat them by more than 20 points," says Coach Engbretson.

This year's J.V. Wrestling team finished the season with 10 wins against only 2 losses. "It wasn't our best year, but it was a good one, Coach Mark Latham reported. We didn't have the over all depth needed to win the really tough ones, but we have some real fine athlete's who will help considerably on Varsity in the future."

Coach Latham singled out, Junior Son Valdez (133 lb. Class), Sophomores, Joe Sierra (112 lb. Class), Paul Hannon (127 lb. Class), and Rickie Don (138 lb. Class), for special praise as each boy went through the season undefeated and untied.

When a team goes through 10 meets undefeated and untied it deserves whatever praise may come its way. This year's Frosh team beat the best in the city. Scoring wins over such AAA teams as Sunnyside, Rincon, Amphi, and Palo Verde and finishing the season with a 58-5 victory on visiting Buena.

"If these boys continue as they are with their willingness to learn and work they can be the future State Champions" remarked Coach Pete Katchou.

Wrestlers Post 118 Wins

With everything sweet comes something sour and so it was this year on the Varsity Wrestling team. After having the finest dual meet season ever (11-1) including the only win recorded over city champions Amphi, Second place divisional finish and third place State AA finish were great but a little disappointing. Seven Seniors headed this strong team contributing 118 matches won to only 30 lost. The seniors were headed by co-captains Jonnie Anderson and Paul Wilson. Johnnie won 18 matches finishing 4th in the state tournament while Paul

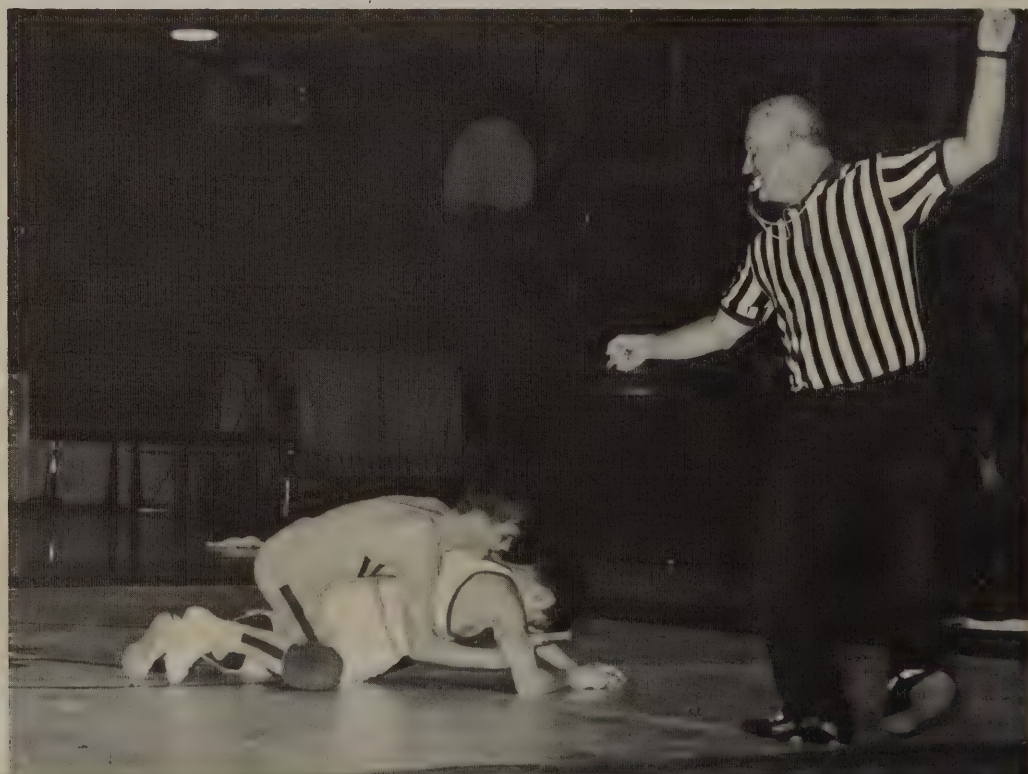

repeated as state champion with 17 wins. Senior Mike Harper led the team with 21 wins ending up 3rd in the state, winding up an outstanding four year varsity career. Mike established the fastest pin in Arizona history: 07 sec. in the divisional meet. Supporting these fine athletes were Billy Nicoley 3rd, Jack Bryant 2nd (17-2), Jon Cooper, Randy Webster, Roland Spangle, and Robert Jones. Outstanding freshman Mike Anderson 18-2, 2nd in state, and juniors Mark Mc Donald 3rd, will be the nucleus for next year's team.

Students Lead In Activities

An active Student Council has guided the student body through the year, sponsoring such activities as victory dances and a Donkey Basketball game. The Student Council revised and updated the school constitution. A motion to have one representative for every fifty members in the class was voted and passed. Meetings were open to any student wishing to contribute an idea or present a complaint.

In September, Student Body President, Roxanne Marrs, and Mr. Meneley, Principal, attended the 1968 Bellamy award presentation to Hibbing High School, Hibbing, Minnesota.

Delegates to the 12th annual Anytown Arizona were Jamie Hannan and Rick Marrs. The convention, held at Sky-Y camp June 9-15, had activities ranging from understanding civic issues, learning quality in leadership, and self interest groups.

The delegates are chosen by a committee consisting of teachers and past delegates.

Administrators Encourage Student Participation

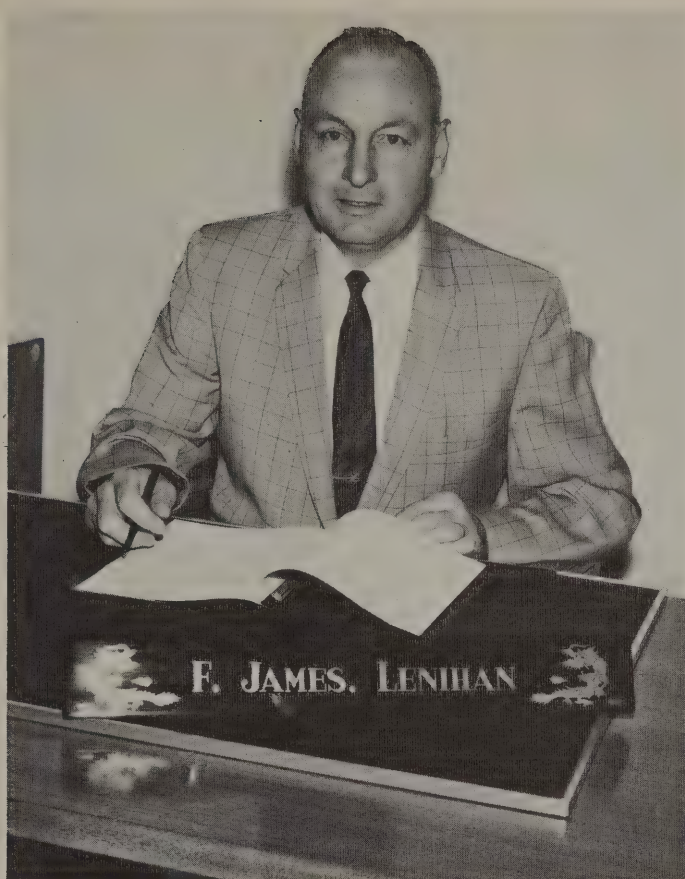

Dr. Marlen D. Yoder, Superintendent of Flowing Wells School District, feels that it is necessary, "For students to receive full value from their school years, they must be interested and actively participate. Our teachers and school facilities of F.W.H.S. encourage this participation. The class of 1969 has helped F.W.H.S. receive several honors and has

helped "show the way". We will continue to try and provide the best educational environment possible for the student."

In this, the second year of his administration of Flowing Wells Schools, Dr. Yoder has made many improvements: the new Learning Resources Center, the new junior high buildings, new science facilities, and the new auditorium.

Administrators Plan Active F.W. Program

Mr. Ted Sorich, Assistant Principal, having given up his position as varsity football coach to devote his full time to administration, still keeps a busy schedule. He attends and supervises all student activities. With firm friendliness and sincere understanding, he deals with the problems of discipline and attendance, often conferring with parents and students helping to solve their problems.

New Library Is Added In '68

One of the finest additions to the academic program at Flowing Wells is the new Learning Resource Center which was opened to the student body in October. Featuring individual carrels, the spacious reading room opens onto a lovely, small patio. Two listening rooms, two conference rooms, an I.M.C. room, and a room for a district professional library surrounds the office for the new librarian, Mr. Chuck Pomeroy. Approximately 900 new books, 360 Filmstrips, with four individual viewers and a new microfilm reader have been added.

Mr. Chuck Pomeroy, *ABOVE*, new librarian is kept busy organizing and arranging equipment in the new Learning Resources Center.

Mrs. Olive Caldwell handles attendance records and Mrs. Erma Bertke is in charge of the bookstore.

Guidance, Aid By Counselors

The Flowing Wells Counseling Department offers individual guidance; college and vocational information; testing and evaluation service; scholarships and financial aid; and perhaps most important of all, opportunity for quiet discussion of personal problems. An innovation for "68-69" is the program which involves several students in a group guidance situation where students with similar problems meet to discuss the best solutions.

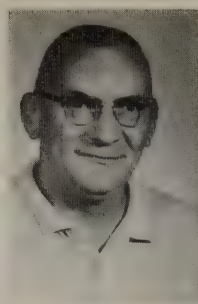

The secretaries in the high school office are noted for the courteous efficiency with which they regulate office traffic.

Secretaries (L. TO R.) take Mrs. Laurine Kendrick and Mrs. Ruth Williams, both take care of all high school records. Mrs. Betty Baum is high school registrar.

Counselors, Mr. John McCormick, Mrs. Pat Miles, Mrs. Margaret Ingram, and Mr. Larry Hart, plan the guidance and testing program for the high school.

Open A Door To New World Via Languages

"Every time I learn a new language, another world opens up to me." For study of another language involves not only learning to speak German, French, or Spanish; it is also concerned with the cultural and historical background of the country.

Language Is Ideas, Action

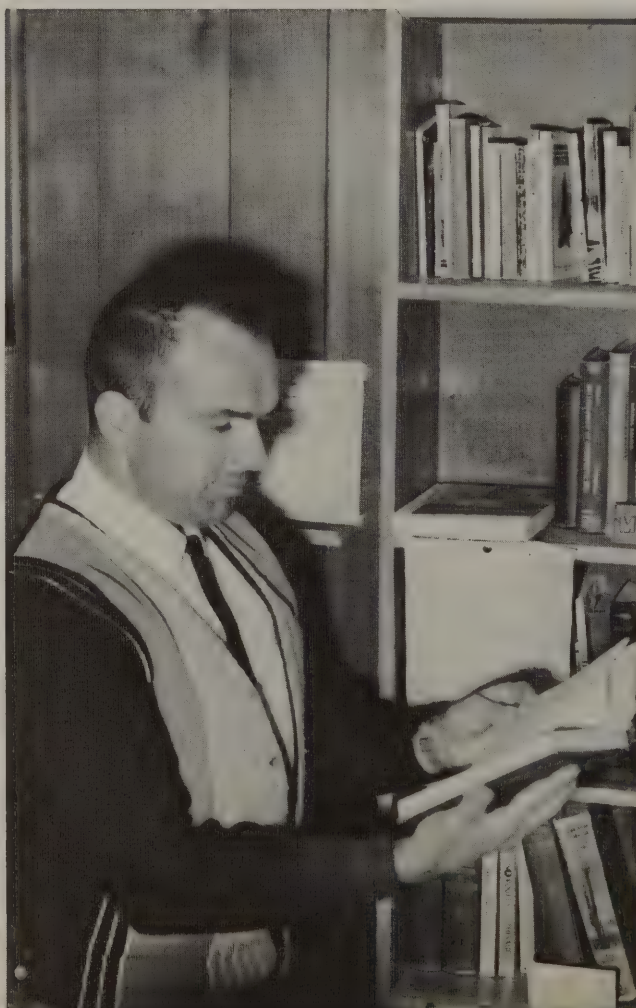

The English Department offers programs designed to meet the needs of all students, those who plan to enter college and those who plan to go into business and industry.

The humanities approach forms the basis of most programs, carried out in a team teaching situation. All new buildings are designed and equipped for this kind of program, with large areas which can be easily divided into small, flexible units.

Emphasizing idea rather than facts, each instructional unit is planned to give students an opportunity for creative experience.

In the past six years the mathematics curriculum has been under constant reappraisal, new and dynamic guidelines developed, establishing different levels of achievement for pupils of different ability.

The staff of Flowing Wells High School Mathematics Department has been exploring the utilization of multimedia in the teaching of math. At present this project is being evaluated by the government "Evaluation Project Innovation Center."

This is only one of the many research projects being conducted. These projects range from teacher-pupil individualized instruction to computer-pupil individualized instruction. The orientation of these approaches is for both the college bound student and the student who will terminate his formal education with high school.

The Math Department in its approach to the choice of curriculum and teaching has maintained the philosophy of "Individualized instruction for the individual student, oriented to his life skills."

Science Department Adds Facilities, Expands Program

The philosophy of the Science Department is to acquaint high school students with the basic fundamentals of scientific theory and scientific techniques.

The Science Department consists of Physical Science, Life Science, Biology 102, Chemistry 102 and Physics. These classes are available to all students, many of whom take science for interest as well as preparation for college.

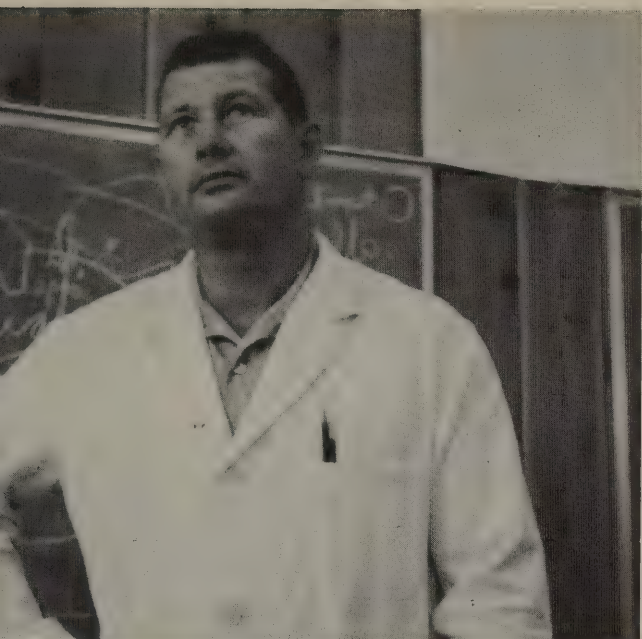

After extensive remodeling, five laboratories and one greenhouse are now available for scientific study and research.

The majority of the science faculty have advanced degrees in science; all together, they have an amazing forty years of experience teaching science in Flowing Wells High.

Faculty members are kept busy revising and expanding the science program.

"Free man cannot be taught properly by slaves. Courageous citizens cannot be well educated by scared hired men."

The primary teaching method utilized in the Social Studies Department is through the team-teaching approach. Team teaching offers advantages over the single teacher approach by facilitating team planning and teacher-teacher feedback concerning instructions. It provides more than one viewpoint of value system to the classroom and offers more alternatives for the student to make decisions concerning the problems being studied.

The objective of the department is to encourage and demand critical and CREATIVE thinking among teachers and students alike. Teachers strive to educate individuals and to equip them with the knowledge that will enable them to take care of society's needs.

ICE Program Added in '68

The Industrial Cooperative Education Program, added to the curriculum this year, offers a unique opportunity for students to receive special training while they complete high school work.

V.I.C.A. Club, Vocational Industrial Clubs of America, was also organized this year. Members have been active, electing Richard Eagler state president.

Practical Arts Prepare Students For Living

As a part of Practical Arts, the Business Department offers training for those students who wish to learn the basic skills needed for a career in business. Courses cover office and secretarial practice, shorthand, typing and marketing.

Students gain the understanding of business practices and procedures that are important to everyone as a citizen and consumer.

Marketing is designed to inform students of beginning phases of merchandising and business management.

Practical Arts Offers Courses In All Phases of Home Making

Courses in Home Economics provide a knowledge of background information and skills to provide a fuller, richer life.

Courses offered: Marriage, Family Money Mgt., Child Development, Home Furnishings, Foods-Nutrition, Clothing-Textiles.

Cadet teachers work with an elementary teacher in the classroom one class period each day.

This is an excellent opportunity for the teacher who thinks she or he may be interested in teaching to see first hand what it is like.

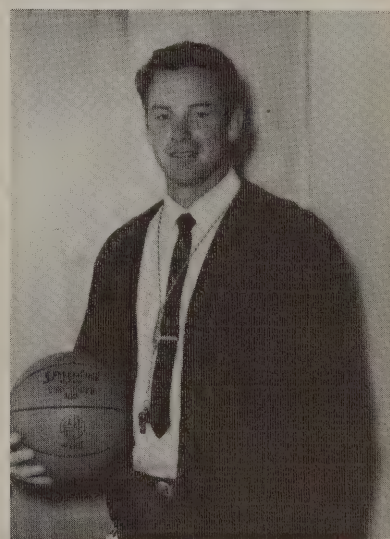

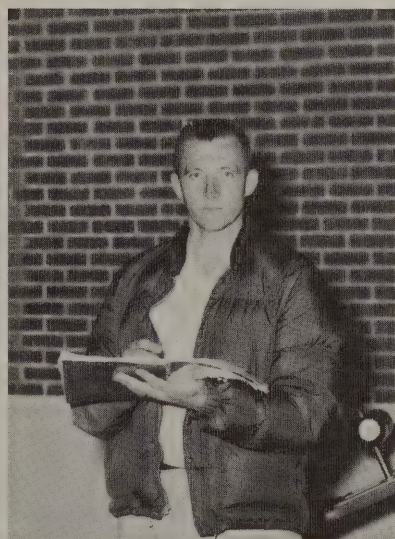

The Physical Education Grind

The Physical Education Department at Flowing Wells provides a rugged schedule of calisthenics, team sports, and proficiency tests. The main goal is body co-ordination, well developed.

During the school term special courses are offered, such as First Aid, Driver's Training, Camping, and Gymnastics. Del Norte Pool is used for swimming classes in late spring.

Chorus Has Varied Program

This year the chorus has been engaged in many activities. These include the Fall Concert, Christmas Concert, All-State Tryouts, Tempe Festival, U. of A. Festival, "Finian's Rainbow", Grand Canyon Tour, and the Spring Concert.

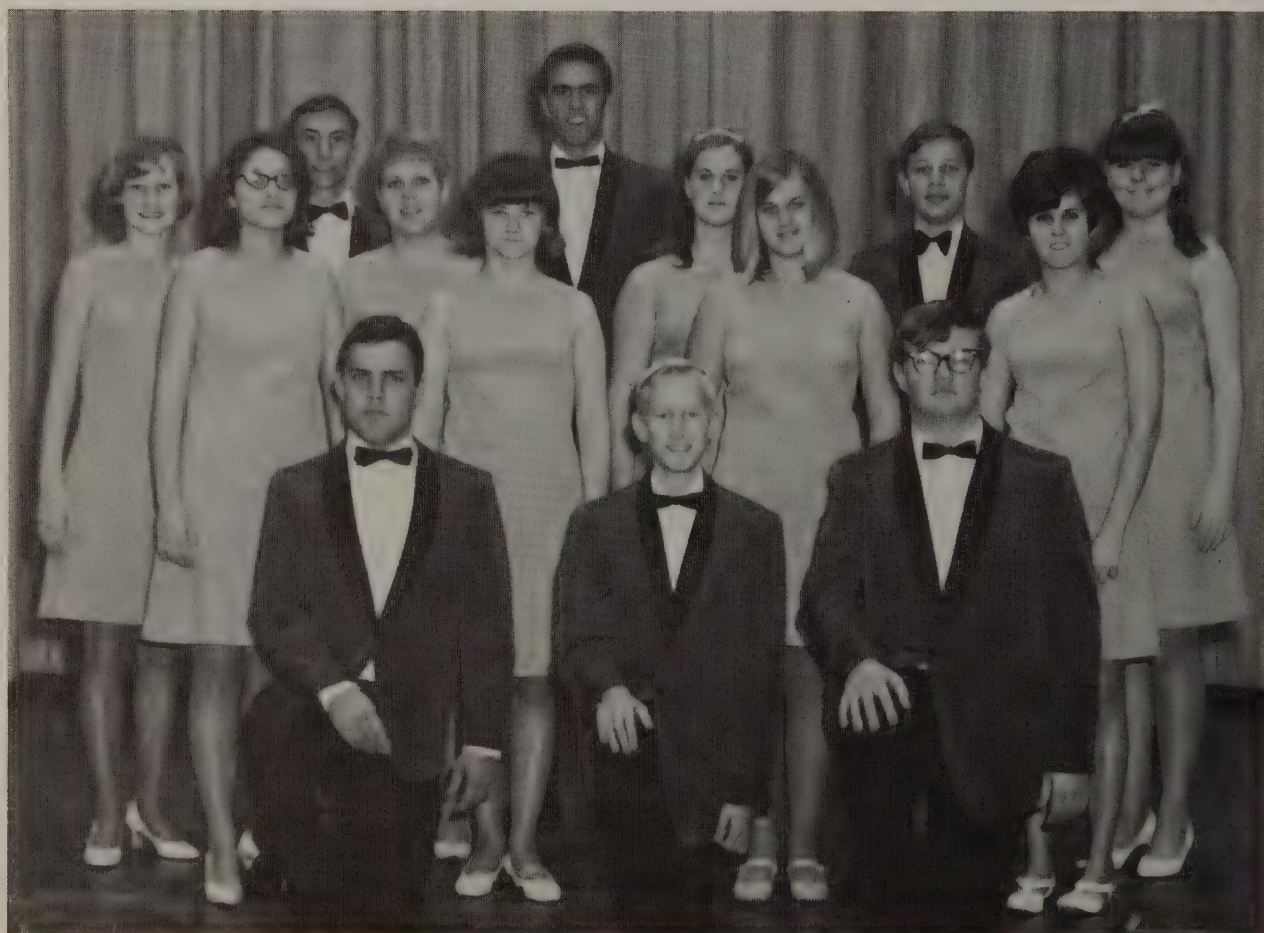

The All-State Auditions were held Saturday, January 25, at Rincon High School. There were eleven auditions. and

three winners: Charles Spencer and Roger Owens of the mixed chorus, and Beverly Lister of the Girls' Chorus.

The officers of the chorus are Kay Walsh, president; Roy Truman, vice-president; Susan Harper, secretary; Ellen Berry, publicity; Rene Rose, chairman.

Mr. Glenn Lawson is the director of all choral activities.

Cab Band Wins Honors, Awards

The Caballero Concert and Marching Band has just finished one of its most successful seasons.

An Award of Merit was received at the Arizona State Fair in November. The "Cabs" were the featured group at the Davis-Mountain Air Force Base Fire Prevention Week Parade and received participation certificates for the Veterans Day Parade in November and the Fiesta de los Vaqueros Parade in February. In November the band received an Excellent rating at the University of Arizona Band Day . . . Forty High School bands competed.

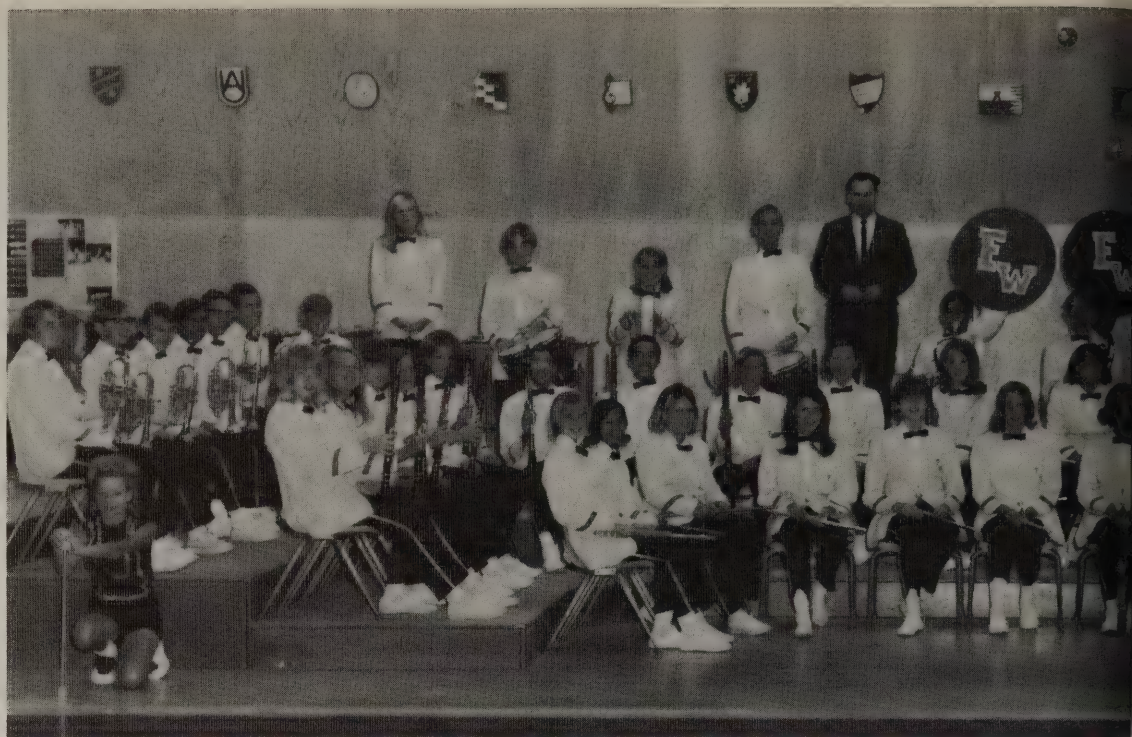

A three-day concert tour of several Arizona High Schools in the spring was a highlight of the year.

LEFT TO RIGHT, TOP TO BOTTOM: Darrell Coppock, Dennis Sandusky, David Lester, Sal Caccavale, Richard Dove, Bob Starr, Phil Dooley, Alan Hickok, Doug Huie, Guy Keenan, Adolph Rodriguez, Dudley Kilberg, Frenando Aguilu, Randy Bennett, Gary Hicks, Jo Townsend, Brenda Warren, Chris Hitchcock, Fred Fromm, Charli Warren, Jerry Croy, Doris Smith, Doug Campbell, Candy Schaus, Linda Headly, Lydia Alderate, Peggy Eichelberger, Carolyn Harbor, Elaine Penn, Sandy Aley, Kevin Ritter, Bernie Eichelberger, Nancy Struble, Debbie Koontz, Lois Smith, Charlie Cantore, Albert Leon, Wendy Hillmar, Nancy Bowden, Pat Hickok, Shirley Newman, Connie White, Nora Perry, Darnelle Johnson, Diane Dietrick, Shona Chism, Betsy Aguilu, Sharon Huie, Shelley Larimore, Katie Glendening, Linda Martin, Sue Bugerhoudt, Marcia Arnold, Suzy Meaney, Donna Hickok, Cathy Vanderkolk, Linda Lopez, Terry Bodine, Karen Owens, Judy Bull, Diana Arnold, Carol Bessler, Lori VandeMheen, Linda Sanders. From the "Caballero" Band there are many auxiliary groups which deserve mention:

The stage band provides a training ground for the more serious music students and also acts as a pep band for assemblies and other athletic events.

Ensembles such as the brass sextet, percussion ensemble, clarinet quartet and many others play at student recitals and represent the school at district and state music festivals.

Soloists from practically every section of the band perform at recitals and represent the school at district and state festivals.

Individuals are selected for honor groups, state-district-local, such as Southern Arizona Clinic Honor Bands.

The officers of the Flowing Wells High School Band and their offices are as follows:

FRONT ROW, LEFT TO RIGHT, Sharon Huie, Treasurer; Nancy Bowden, publicity chairman; Candace Schaus, librarian; Cathy Vanderkolk, secretary.

BACK ROW, Drew Ritter, drum major and band manager; Kevin Ritter, vice president; Chris Hitchcock, historian; Guy Keenan, president.

This year modern dance was presented as a class. Members learn the history of dance and its famous people. They also learn to choreograph their dances by improvisation.

The dancers follow Martha Graham's theory that "All movement comes from the diaphragm."

The dancers are seen frequently lending their grace and elegance to many assemblies and programs throughout the year.

'69 Roundup Of Caballeros

The Spur staff worked beyond regular class periods to complete the '68-'69 year-book. Many candy bars and cokes were consumed for a nutritious dinner! In the closing hours such shouts as "Where's a grease pencil?" or, "Why don't any of these typewriters work?" were heard throughout the room. For the first time a supplement covering spring activities will be published.

"Get that camera out of here; it's hard enough trying to type, let alone pose for a picture", says Leslie Mac Donald, editor of the Royalty division.

Pep Squad Lifts Spirit

The Pom Pon girls have contributed new ideas to our school spirit.

Coached by their new sponsor, Mrs. Ingeborg Wolner, the Pom Pon girls added gaiety and colors to the Cabs' spirit with their clever skits and routines.

Victory!

The cheerleaders attend all games, supporting the team, sparking school spirit, and contributing to the winning pace of the '69 Cabs.

The traditional "Mike Boys" again joined the cheerleaders this year, adding their inspiration to Flowing Wells student body.

Lettermen's Letter With Efficiency

During '68-'69 the Lettermen's Club has participated in the following activities: Sponsoring Mom and Dad's

night, the Lettermen's Ball, which is held in the spring of the year, and selects the Sports Queen and Princesses.

The sponsor of the Lettermen's Club is Mr. Dick Griesser with Don Newman as president.

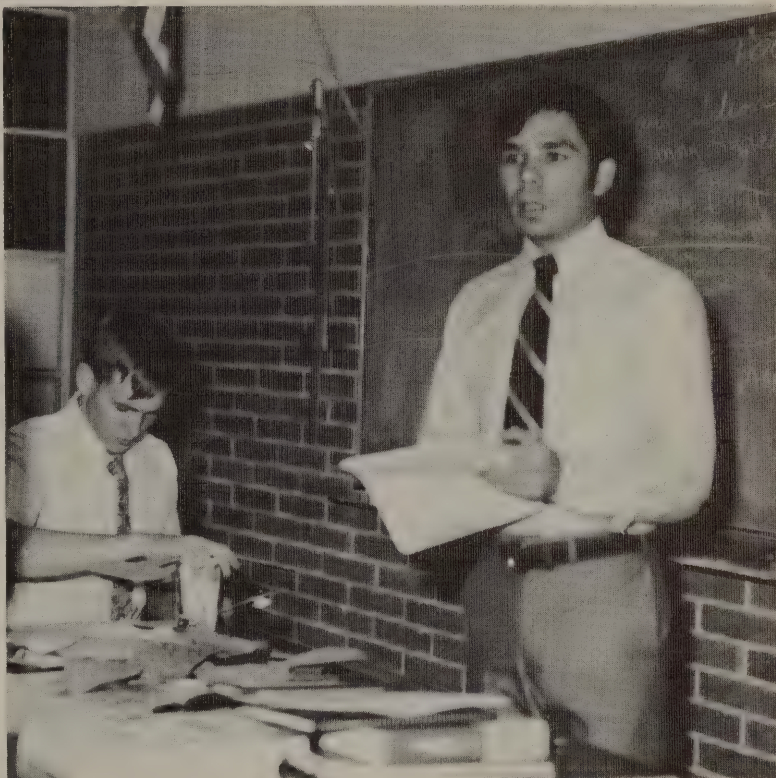

Key Club Supports The School And Community

One of the Key Club's special projects was Homecoming. Preparation for the bonfire, pep essembly, parade, football game, and dance, left a few members dizzy. For a fast recovery, the members

worked at the senior patio, striving to keep it clean and neat. The community effort included a Sunshine Kiwanis barbecue, food and clothing drive for the needy during the Christmas holidays,

and an Internation Key Club convention here in April. The Key Club members and their sponsor, Mr. Lenihan, deserve a warm thanks from all.

Cabs Value Service In Club Programs

Mr. Albert Laue, who teaches German One and Three, is this year's sponsor of the German Club. Members find that the language is expressive and also may be useful in many careers.

The class has had films of Germany and has gone on field trips to Kitt Peak and Peppersauce Canyon.

Mrs. Mary Jo Colyer is this year's sponsor of the Future Business Leaders of America. The FBLA organization seeks to develop competent, aggressive business leadership and to strengthen the confidence of young men and women in themselves and their work. They also try to create more interest and understanding in the intelligent choice of business occupations and encourage members in the development of individual projects and in establishing themselves in business. They also encourage members to improve the home and community.

Future Business Leader members: *FIRST ROW*, left to right, Mrs. Mary Jo Colyer, sponsor, Cathy Clelland, Nola Struble, Bonnie Wery, Sheryl Blair, Cathy Hooke, Carol Gower. *SECOND ROW*, Bonnie Wery, Joyce Liska, Mona Harper, Vicki Martin, Diane Cox, Pat Rodriguez. This club has been very active as they sold cleaning products and had bake sales and car washes.

Future Nurses of America Club Members: *FIRST ROW, LEFT TO RIGHT, Patricia Stewart, Linda Cunningham, Judy Olsen, Vickie Fauth. SECOND ROW, Carol Nicolay, Judy Tom, Diana Dietrich, Mrs. Henrietta Criss, FNA sponsor.*

The purpose of the Future Homemakers of America is to help promote leadership among girls in Home Economics. The club also helps them better their relationships with family, and friends and neighbors.

The homemakers have been engaged in many activities this year. They decorated the float for homecoming and had candy apple sales.

Members of FHA are Judy Olsen, Lois Smith, Wendy Dixon, Mrs. Voss, the sponsor, Debbie Pike, and Kim Paine.

Marguerite Kane has been an outstanding girl, both on the field in activity and games and also in her knowledge of skills of physical Education. She has been on every varsity team: basketball, softball, hockey and volleyball. Marguerite has also excelled in badminton, where she relied on her own individuality. She has promoted many new ideas for the G A A this year and has been an exceptional leader of her club.

The Girls' Athletic Association of Flowing Wells participates in many sports. Some of these are volleyball, basketball, badminton and field hockey.

They are very active, challenging other schools to compete against them and winning over seventy-five percent of all games they have played.

GAA's purpose is to keep the girls of America physically fit and to give them a better understanding of the athletic sports.

Juniors Plan Spring Prom; Schedule Plans For 1970 Class

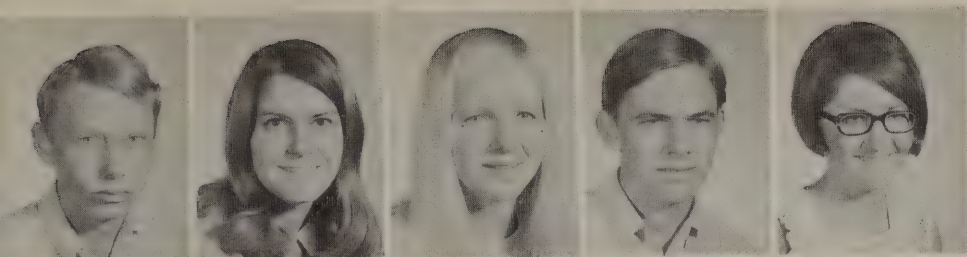

The junior class officers move on this year to better Flowing Wells. A few of their many duties are sponsoring the junior-senior prom and scheduling all class meetings and conducting all class meetings.

The class of '70 is increased by 26 students from last year. One of the juniors' biggest projects is the sponsoring of the junior-senior prom in the spring.

Freshmen Meet Challenge Of High School Experiences

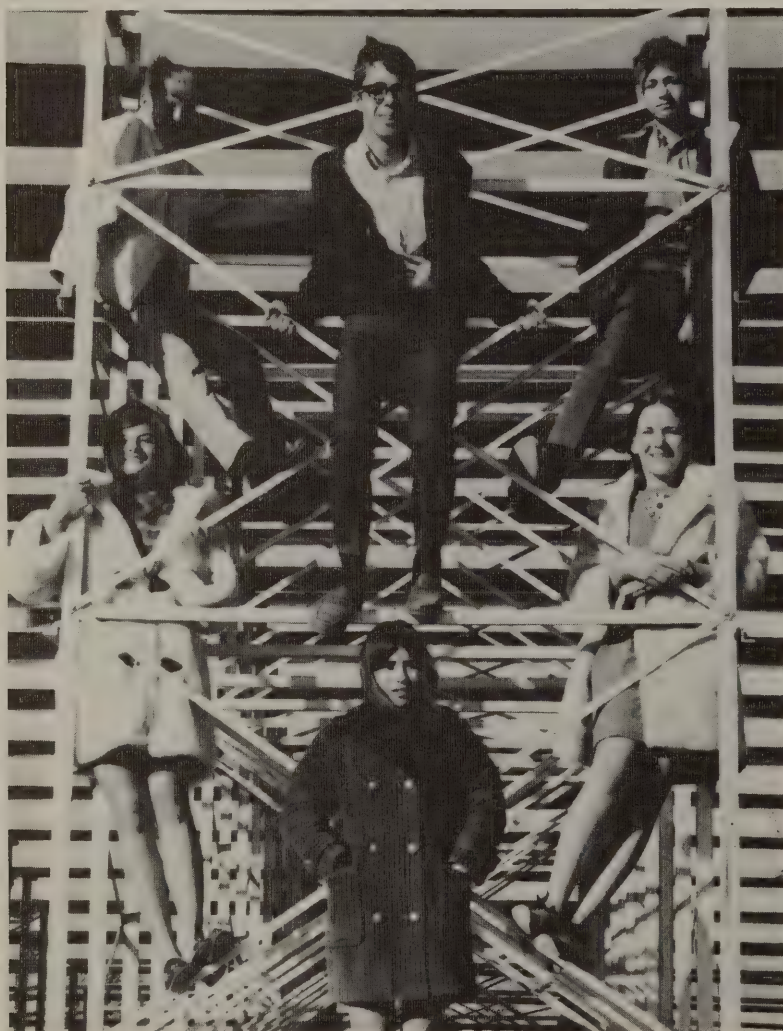

This year the freshmen have been welcomed to their first year of high school. Many of the welcomings have been new additions to the school such as the biological greenhouse and Learning Resource Center. New projects of the Student Council and ideas of the Bellamy Program have interested and challenged freshmen.

The past season has been

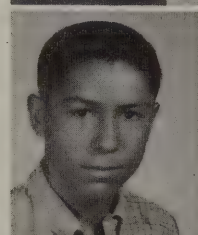

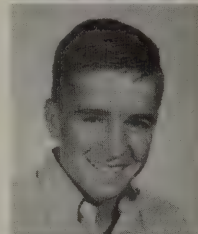

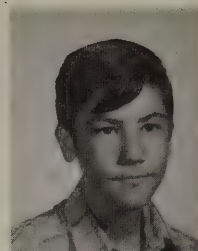

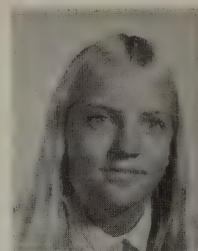

a victorious one for all frosh. The football team went undefeated with a score of 9-0 winnings.

"Spirit Week" helped freshmen participate with an activity full of fun.

The patio has been an advantage for all, especially freshmen. During lunch they gather around, talking, studying, enjoying the sunshine.

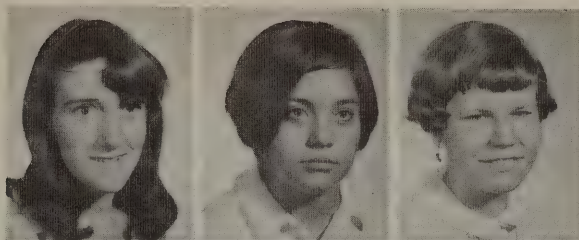

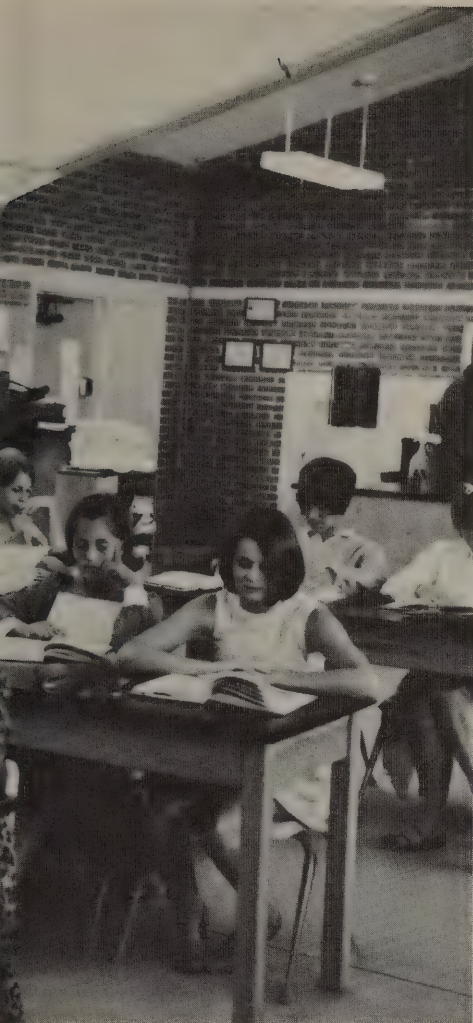

Freshmen class officers pose nonchalantly. L TO R: C. Harper, D. Catt, J. Emmett, S. Larimore, S. Lopez, B. Sweat.

The challenge faced by the '69 Spur staff was to capture the characteristics of the Cabs '69, caging their individuality and singularity through pictures and copy.

As we leave, the staff hopes that they have given you a book representative of and a part of that breed... A different breed... Cabs '69 a different breed... Cabs '69 a different breed...

Kevin,
Howdy! I
hope you have
lots of fun in your
senior year. You're a
real sweet guy and I
wish ya all the luck in the
world! Stay sweet always!

Peggy.
P.S. Help Mr. Hokanson next year!
I hope the land is really good, too!
Good luck with the elections. Have
lots of fun!

Kevin,
you're a
real neat kid.
Sure had lots of
fun with you in band.
Be good & K, and
Good luck with Donat!

SUPPLEMENT

Cabs Vie For State Trophy

The Caballeros were scheduled to play against Agua Fria in the first round of AA action. The Caballeros have lost three out of the last four years in tournament games to Agua Fria. Victory was on the Caballeros' side this year after a very close game 57-56.

Two nights later the Caballeros went against Buena for the state championship. The first half ended with a tie 30-30. The Caballeros lost out to Buena in the second half 72-64. The Caballeros left the court with the second place trophy in the AA State Tournament.

Mike Harper Sets Record

For the fastest pin by fall, within seven seconds, in a class AA division, Mike Harper holds the national record. He is a four-year varsity wrestler, ending this year with one loss and third in class AA at the State Tournament.

Ziegler Goes All-American

Steve Ziegler has been chosen to the 1968-69 High School First Team All-American basketball squad.

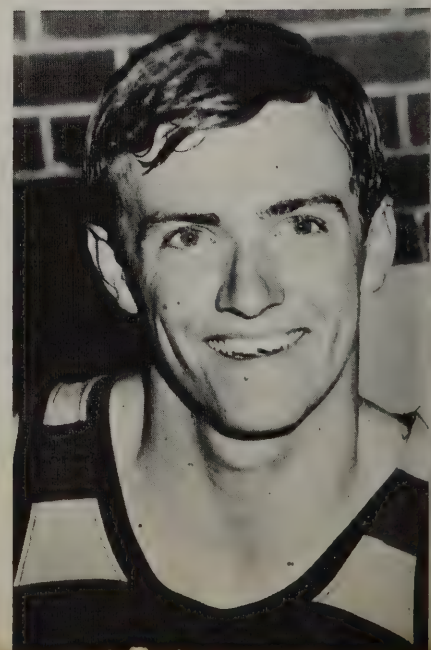

This is an honorary team composed of only the best athletes from high schools all over the nation.

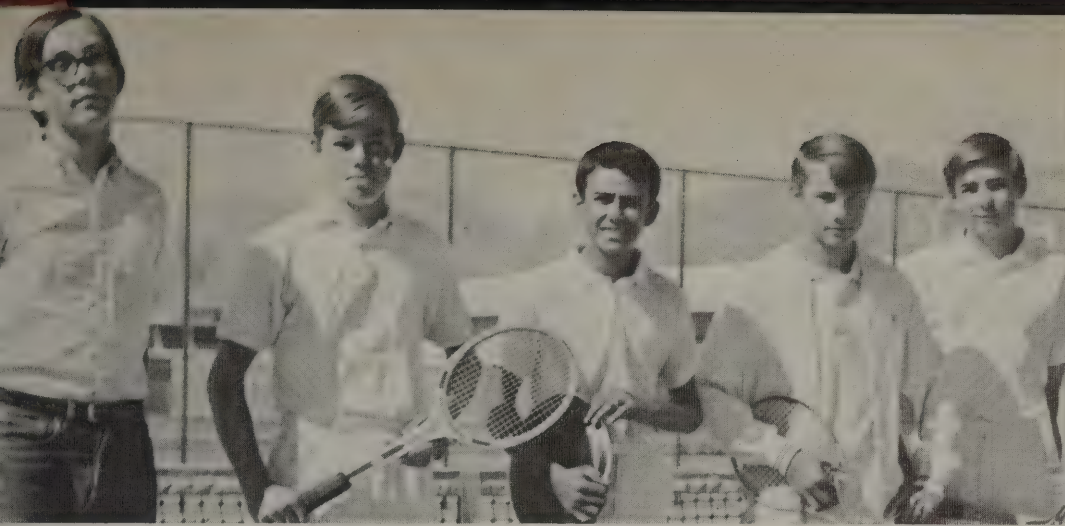

Steve was the only one in Arizona who received First Team honors. He also is the first Flowing Wells athlete to be named All-American.

Besides his national honor, Steve has a list of other honors

and outstanding performances including first team All-Class AA Tournament, All-District Tournament, and All-City squads. He also was selected to the Arizona Daily Star All-State team which was made up of the five best players from all Arizona high schools.

Steve's 25.2 points per game average also earned him top scorer in Tucson and second highest scorer in Arizona honors.

TOP LEFT TO RIGHT: Charles Stewart, Mark Evenson, Henry Emmery, Tom Hastings and Don Nicolay.
 ABOVE LEFT TO RIGHT: Brenda Warren, Lynn Walsh, Shelley Larimore, Kay Gabriel, Coach Miss Pam Revis, May Gin and Susan Lopez.

Two Cabs Net State Play-Offs

Despite a losing season, the F.W. tennis teams made a fair showing at class AA Southern Divisional Tennis Tournament.

The girls team did well enough for third place tie with Canyon Del Oro.

The boys team entered divi-

sional play with a 4-8 record and took 4th place.

Tom Hastings and Brenda Warren did exceptionally well. Both advanced to the state play-offs, Tom with a 4th place and Brenda with 3rd place.

The '69 Varsity Baseball team, ABOVE, IS, LEFT TO RIGHT, Coach Richard Griesser, P. Gates, R. Herrera, J. Stanley, B. Nicoley, V. Armstrong, R. Marrs, S. Peduchi, F. Galvez. THE BOTTOM ROW LEFT TO RIGHT : S. Leek, J. Eller, J. Bryant, D. Froehlich, R. Webster, G. Fuller.

Lack Of Depth Results In Off Season

This year's baseball team had good potential but lacked in pitching. "We've got a lot of good players as individuals, but as a team nothing clicks",

said coach. Richard Griesser. The season ended with 5 wins and 15 losses. The team's batting average was .232 and their fielding average was .866.

Coaches Value Team Effort

This year the JV Baseball team was coached by Mr. Jim Donaldson, who commented, "This team was a real pleasure to work with because they were just that, a team. Our boys were not outstanding, but they stuck together. If I were to mention the names of the boys who helped us most, I would have to name the whole squad!" The team's season record was 14-4-1.

The freshmen team was coached by Mr. Pete Kotchou, who said, "They played well, but competed against AAA schools while they were only AA."

ABOVE, A safe slide from John Kyser might prove a home run for the Cabs in the game with Bisbee.
